

Dear Keepers of The Sat Space,

I feel it important that you know and understand my desire to continue receiving VOOM programming, VOOM's commitment & track record of providing HDTV, and VOOM HD LLC's desire to continue operating Rainbow-1 at the 61.5 frequencies.

At this time of two DBS companies and dwindling chances of multiple cable providers in most regions—it might also behoove us to note your past rulings that side with increased competition and consumer choices--this is clearly in the best interest of the public.

Thanks in advance for your time,
